 3 Beds  2.5 Baths  1,838 Sq Ft

 2 Story  1 Car Garage

Birchwood Elevation

The Birchwood is perfectly designed for those looking for both comfort and style. With an open-concept floorplan, entertaining guests in this home is easy and enjoyable. The Kitchen features plenty of counter space and a spacious island with seating, making meal prep and hosting a breeze. The connected Great Room and Dining Nook offer ample space for family gatherings, while a Flex Room provides the option for a formal Living Room, Play Room, or private Study. Head upstairs to take comfort in the spacious Owner's Suite, equipped with a walk-in closet and a private bathroom, complete with a double-bowl vanity and large shower. Additionally, two more Bedrooms and a full Hall Bath are available for family or guests along with a 2nd floor Laundry Room. Some images, videos, virtual tours shown ma ...
