Farmhouse Elevation

Meet The Breckenridge GrandeSpace changes how a home feels. At over 3,000 square feet, the Breckenridge Grande gives you room to spread out without ever feeling far apart.You feel it the moment you walk in. The two-story Great Room opens up overhead and pulls light down from the floor above, the kind of space that feels open and easy. Just off it, a separate Living Room gives you somewhere quieter to land, and the Study behind its French Door is ready for the workday, the bills, or simply the one room in the house with a door that actually closes.The Kitchen is built to keep up. There's an island with room to gather, generous counter space, a walk-in pantry, and a Nook right there for everyday meals. When the occasion calls for something more, the formal Dining Room is waiting.Upstairs is ...
