Farmhouse Elevation

Meet The ChurchillThe Churchill gives you more than one place to gather, and that's the whole idea.The main floor is built around options. The two-story Great Room rises open and bright with a gas fireplace at its center, the room that pulls everyone together. But step away and there's a separate Living Room for quieter company, a formal Dining Room for the meals worth setting the table for, and a Study behind a French door when you need to slip away and focus. Anchoring it all is the Kitchen, with a large island and overhang for casual seating, a walk-in pantry, and a Nook that opens toward the backyard for easy everyday meals. At over 3,000 square feet, every kind of get-together has a place to land.Upstairs, the Owners' Suite is a true retreat, generously sized with a private Bath featu ... Read More at tuskeshomes.com
