

Preakness Floor Plan

In Tuskes Homes Off-site Homes

PLAN DETAILS

4 Beds
 3.5 Baths
 3,763 Sq Ft
 2 Story
 3 Car Garage

Farmhouse Elevation

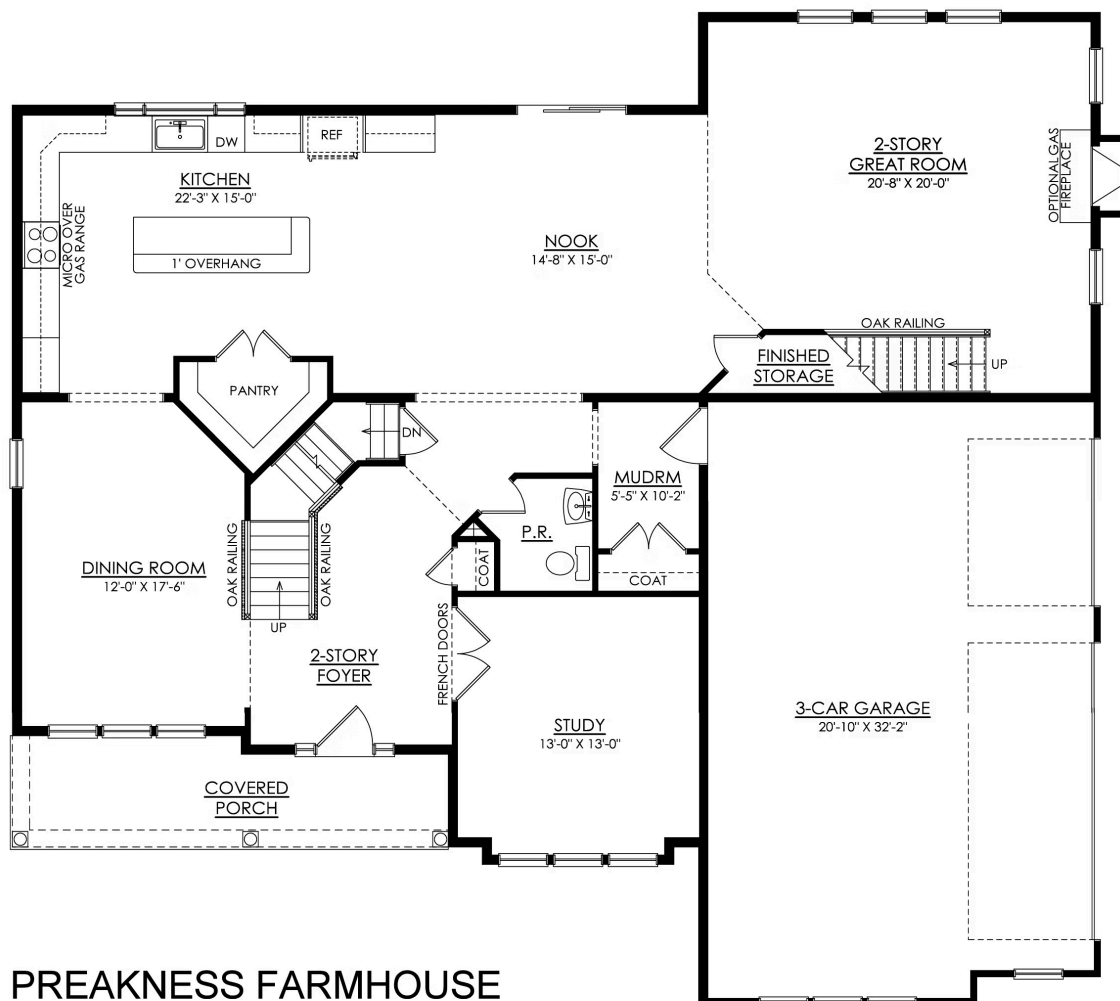

The Preakness floor plan offers a magnificent layout with over 3,700 sq ft of luxurious space. Step into the awe-inspiring two-story Foyer and Great Room, each with its own staircase. The Gourmet Kitchen features a stunning oversized Island complete that's perfect for entertaining. The spacious walk-in Pantry is within arm's reach and ready to store all your culinary essentials. The adjacent dining Nook includes a sliding patio door that opens to the 12'x20' Trex Deck, inviting the outdoors in for al fresco dining and unforgettable memories. A Living Room, private Study with double French Doors, and Powder Room complete the main living areas of this home. Upstairs, enjoy peace and quiet in the private Owner's Suite that features a dressing area, a spacious walk-in closet, and a serene bath ...
